Due to the recent "Shelter in Place" order from Governor Pritzker, the office of First Presbyterian Church will be closed through at least April 7th. All events scheduled at First Pres. during this time will be cancelled or postponed.

We are still reachable via e-mail: office@firstpresjoliet.org or through the office phone if you leave a voicemail at 815-727-9259. Please leave a return phone number in your voicemail.

Sunday worship service will continue as a recorded service and will be posted online. A link will also be sent out via e-mail to those who have subscribed. These links will also be posted on the website firstpresjoliet.org on our home page and our sermons page.

Remember that even though we cannot be together in person, we can still be together in spirit. God is never far from you, you just need to call on him.

Stay safe and stay well!
