**BHOKE MNANKA**  
**Birthday- May 8, 2001**

**My home village is Rebu,  
 Tanzania.**

**I am 19 years old and in Form 2  
 (10<sup>th</sup> grade) in school. My  
 studies are very important to  
 me, my favorite subject is  
 biology. I hope to be a nurse  
 when I finish school.**

**When I have free time, I love to  
 play volleyball and while some  
 find it unique, I also love to do  
 the washing.**

**The Matrons & Patrons say I am  
 shy and they pray I may be  
 bolder in leading worship and  
 other activities. Also, I worry  
 too much about being older  
 than other students in Form 2,  
 as I was not able to begin school  
 until later in my life, prayers to  
 overcome this concern. They  
 see I am a good organizer for  
 our worship space and prayers  
 that I continue to lead in this  
 way.**

**I pray that the Lord will be with  
 me in my studies.**
