- Helping Hands is back running successfully and in full capacity once more with the new structure.
- Online Worship going forward will be the pre-recorded service that is posted on YouTube and Facebook, and a live stream Sunday morning of just the sermon.
- For the remainder of 2021 we will continue Live Worship at 9 am, but starting 1/2/22 we will continue with a single Live Worship Service, but it will begin at 10 am instead of 9.
- Session is thankful to our front office staff for helping us through another transition. Going forward Jen Gabl will be acting as Treasurer while continuing her previous responsibilities. Ellen will add 1 more day to her work load in order for us to balance front office work.
