**Hi! I'm so excited to let you know Sue Fordyce and I will be hosting the women's study at mid-week!**

There are so few opportunities to sit down and really talk about our faith in our day to day lives. Please consider joining us! We will meet three times this month and talk about Advent hope, faith and joy.

The plan is to work together to pull the "how does this apply to me?" from scripture.

Starting in January, we will begin a new, longer study.

**I hope we see you Wednesday evening from 6 - 7!**

Pastor Carrie

Greetings Beloved Church!

I pray you had a wonderful Thanksgiving! If you are anything like Tim and I the last of the turkey has finally been eaten and your mouth is ready to taste something new. As much as I LOVE Thanksgiving turkey I look forward to something fresh – something different that will wake up my mouth with something special.

In our lives the Lord is that something special. The Word even speaks of God as something tasty that fills us with joy!

“Oh taste and see that the Lord is good:  
blessed is the person that trusts in him.”

### **Psalm 34:8**

This Sunday we will study the promise God made to us in the beginning – to always love us no matter what terrible choices and wrong turns we may take on this journey called life.

The celebration of the Christmas season at First Pres will be filled with joy! The music, the preaching, and the Christmas Carols will be mighty tasty. And our smiling eyes above our masks will tell everyone how their presence in our lives is a present we truly treasure. I treasure all of you and I look forward to being in your presence and seeing your smiling eye crinkles dear friends.

### **Personal Note from Pastor Bo and Parents to our 1st Pres Family**

Over the past months you have been a part of our journey with its ups and down, as Dad was in and out of the hospital. Your prayers and words of encouragement, and support, are something that we cherish so much. As a family we feel connected to each one of you through the prayers and encouragement we felt at all time. Dad is home, and he is up and about, almost like his old self, but on oxygen. Mom is happy to have him home and to see him doing well. We continue to pray for a full recovery from the double Pneumonia and the additional side-effects of the COVID. But we are hopeful. Again thank you for being close to us even if we are miles away.

### **POINSETTIAS**

If you would like to donate poinsettias this Christmas season forms are available in the bulletins. The form is also available on our website, as well as an online donation form with online payment.
