## Hello Beloved of God!

This is it! Tonight is our last Lenten Soup where we have our souls are filled with God's Holy Word and our stomachs are filled with Jody and Keith's amazing soup creations (plus bread, crackers, sandwiches and dessert!). This short hour with the people of our faith family, when we study the Word and enjoy Christian fellowship, has been precious and lovely. If you have not, as yet, attended one please come tonight from 6:00-7:00pm. I am sorry to see them end, but we must keep in mind that as Lent draws to a close, it is with excitement and joy we anticipate Christ's victory over sin and death on Easter Morning! Alleluia!!!

Holy Week is upon us and the beauty of this coming week of worship and remembrance, of sharing the Bread and the Cup on Maundy Thursday and Easter, will remind us of God's Divine Love. A love that would not let us go into the darkness of sin by paying its price – a price that was and is rightfully ours to pay.

Oh Jesus! He was with God in the beginning of all things (John 1). Part of the God head who chose to be born as one of the creatures He created. All out of love for us.

It is beyond my comprehension to understand why God is so mindful of us...

*When I consider your heavens,  
the work of your fingers,  
the moon and the stars,  
which you have set in place,  
what is mankind that you are mindful of them,  
human beings that you care for them?  
You have made them a little lower than the angels  
and crowned them with glory and honor.  
You made them rulers over the works of your hands;  
you put everything under their feet:*

Psalm 8:3-6

As we enter into Holy Week let us worship and glorify the lover of our souls, our redeemer and our friend! This week, and always, let us worship our Great GOD!

In God's Love,  
Dr. Jen

### A NOTE FROM PASTOR BO:

Mulch and other stories from church!

When you think about ministry, mulching or trimming rose bushes is not something you learn about in any seminary classroom. But it is something you quickly learn to watch for, especially during spring time and right before Easter. I know, I know, we all want to have a great place to come and worship, we love to take pride in how nice the church looks, and it should be that way. Even more so, we should always remember that the church is more like a place where the familiar and the unfamiliar come to meet on any given Sunday. It is a place that is filled with life, not just because of the great landscaping, or building, but because of the love and care that defines this place. In the last few months there has been quite a bit of activity around this place, to beautify the bathrooms, floors, trimming bushes, and all that good work, but I feel like we are missing a great opportunity if we are not inviting people to come and join us for a worship service, or a dinner, or even a prayer group. With Palm Sunday, Easter, and Holy Week, this will be a great time for you to reach out to someone in your circle and bring them along.

At the end of the day that's what we are here for: Bringing people closer to God.
