## *A Letter from Lead Pastor Bo Mircea*

If you talk to Ponder the Otter about what it means to wonder, you might find out that all of us question everything in our lives. Some of those questions are small, some questions are big, like real big. Yet, if you can remember to Trust Jesus, those big questions might start to look smaller and smaller because of your faith.

Now that was one of the lessons we learned this week at VBS, but I believe it should be a lesson we all learn and remember as adults too. Your heart can be easily overwhelmed by worries, and truth be told, there might be times where our faith lives in a different zip code than our hearts. But do not lose heart, God is always close even when that happens, we just need a reminder of that. That is where this place we call church, our faith family of brothers and sisters comes into play. Sunday is more than coffee fellowship, or music and prayers. Sunday is our weekly reminder of that love and sweet assurance.

This brings me to this Sunday, we are going to celebrate that grace with the kids from VBS, with Harvest Arts, and with each other. 'Share joy' should be a good slogan for this coming worship service.

I am looking forward to sharing with you a new sermon series: HYMNS THAT CHANGED OUR FAITH LIFE.

See you on Sunday,  
Blessings,  
Pastor Bo
